**L. POLICY BACKDATING INFORMATION**

You may choose to backdate your policy up to six months (depending on state requirements). Backdating your policy may benefit you if you will become a year older within six months of the date your policy is issued. If you backdate your policy we will calculate the premium for your policy based on your "backdated" age. This could save you money in the future by allowing you to receive a lower premium. You would be required to pay the accumulated premium for the length of time that the policy is backdated. For instance, if you apply for a policy on August 1 and backdate the policy to June 1, you will be responsible for premium from June 1. This amount will be part of your initial premium payment only. Please consult your agent to determine the availability of backdating in your state and whether it is appropriate for your circumstances.

Would you like to backdate your policy?  Yes (If "Yes", review the policy backdating notice below.)

**POLICY BACKDATING NOTICE:** As a policyholder, you have elected to backdate your policy, which enables you to gain benefits of lower age for the purposes of calculating cost of insurance charges on your policy.

**If you choose to pay your premiums by automatic bank draft, your account will be drafted for each month that your policy is backdated unless this amount was already included in the initial premium payment.** You are encouraged to obtain overdraft protection from your bank to avoid any unhonored withdrawals and associated fees.

I understand, on backdated policies, that the accrued cost of insurance charges deducted from the initial premium results in the values within the policy being lower than those illustrated. **I also understand that if I choose to pay premiums by automatic bank draft, my bank account will be drafted to "catch up" my policy premiums for each month that my policy is backdated.**

**Q. ING'S POLICY ON STRANGER-OWNED OR STRANGER-ORIGINATED LIFE INSURANCE (STOLI)**

The Company, along with other ING Life Companies strongly opposes arrangements designed to obtain life insurance for the benefit of a third party (a "stranger") that has no insurable interest in the insured. A person generally has an insurable interest in the life of an insured where the person has a continued interest in the survival of the insured. We believe this position supports the best interests of our policy owners, as stranger-owned or stranger-originated life insurance transactions ("STOLI") will lead to higher costs for consumers and undermine the concept of insurable interest, a core element of the life insurance business. The Company will seek to terminate the insurance coverage under any contract determined to be STOLI or where material misrepresentation has occurred regarding the facts presented to the Company for underwriting the application. Attempts to defraud the Company may result in additional legal action.

The Company does not sell life insurance in the following circumstance:

- If, at the time of sale or conversion, the applicant/owner has an intent, plan, arrangement or understanding with a third party that will result directly or indirectly in the sale, assignment, settlement or other transfer to an investor, such as a life settlement company, or any other party with no insurable interest in the life of the insured who purchases the policy for investment purposes;
- If, at the time of sale or conversion, the applicant/owner has an intent, plan or arrangement to transfer an ownership interest or beneficial interest in an entity that will own the policy to a life settlement company or any other party with no insurable interest in the life of the insured;
- If, in connection with the sale, the applicant/owner and/or the insured is offered any compensation, reward or benefit, or other inducement to purchase or assist in the purchase the policy, including, but not limited to, cash payments, property such as a life insurance death benefit for "free" or at "no cost" or any other benefit of any kind;
- Where a sales concept, design, marketing plan, marketing material or other program that has not been disclosed to the Company is used in connection with the sale (including, but not limited to, any nontraditional premium finance program, such as "non-recourse" lending arrangement where the lender's sole collateral for the premium loan is limited to the values of the policy itself);
- Where the producer and/or applicant knows, or has reason to know, that the source of funds for premium payments under a policy has not been disclosed to the Company (including, but not limited to, any arrangement to pay for premiums under the policy through a loan through a premium financing arrangement or other third party funding) ; or
- In any other circumstance determined by the Company, in its sole discretion, to be inconsistent with our policies on STOLI, insurable interest or misrepresentation.

The activities described above are considered "prohibited conduct".

**R. REPRESENTATIONS, ACKNOWLEDGEMENT AND AUTHORIZATION**

**Representations and acknowledgements:** By signing this form, I acknowledge that I have read this application and I agree with the statements in this application and represent that all questions have been truthfully answered to the best of my knowledge and belief. The Company may seek to rescind the life insurance coverage if it determines that any question was not answered truthfully. This application consists of all pages of the application, appendices, and supplemental questionnaires. It will be the basis for any life insurance coverage issued and no information will be considered to have been given by me to the Company or authorized by me unless it is stated herein. Unless otherwise stated in a Temporary Insurance Receipt, the Company will have no liability until all requirements are met, a policy is delivered to and accepted by me, and the first premium is received by the Company while the Proposed Insured is alive. If I have paid premium with this application, I have completed the Temporary Insurance Receipt, which is Appendix A of this application. The producer does not have the authority—unless permitted by law—to waive the answer to any question in the application, to accept risk or pass on insurability, to make or alter any contract, or to waive any of the Company's rights or requirements. No change in the amount, classification, age at issue, insurance plan, or benefits shown on this application will be effective unless both the Company and I agree in writing. If a policy is underwritten and issued as a result of this application, all required documents pertaining to the delivery of the policy must be completed and returned to the issuing company within 60 days of receipt. Otherwise, the policy will not be in force. I understand that by signing this application, I am applying for life insurance coverage issued by the Company.

**Amount of Coverage:** If the Proposed Insured(s) dies while this coverage is in effect, the Company will pay to the beneficiary named in the Application the lesser of: (a) the amount of death benefit, if any, which would be payable under the policy and any riders covering the life or lives of the Proposed Insured(s) if issued as applied for under the Application; or (b) \$1,000,000. This coverage is subject to any limits or exclusions which would be part of the issued coverage. If for any reason the Company is liable for any coverage as a result of any other pending applications or temporary insurance receipts on the lives of Proposed Insured(s), the Company's total liability shall not exceed \$1,000,000; and the \$1,000,000 will be prorated among the respective coverages. There is no premium waiver coverage, or coverage for the death of any person other than the Proposed Insured(s). The Proposed Owner agrees that they are to be relied on for this coverage. No agent can waive or modify this coverage in any way. Premium(s) will be returned if a policy is not delivered and no benefit is paid under this coverage.

If a policy is delivered, premium(s) will be applied to the first policy premium. Premiums are billed from the policy date. If the policy date is prior to the issue date, premiums are due based on the policy date.

**Coverage begins** when Part I of the Application is completed, a premium has been accepted, and this form has been completed and signed.

**Coverage ends** automatically on the earliest of the following dates:

- Five days after a refund of premium is mailed to the Proposed Owner's address shown on the Application; or
- Five days after a notice of termination is mailed to the Proposed Owner's address shown on the Application; or
- Coverage starts under any policy resulting from the Application; or
- A policy resulting from the Application is refused; or

## VALUABLE INFORMATION ABOUT YOUR TERM LIFE INSURANCE PURCHASE

Thank you for considering the Company for your life insurance needs. Your professional insurance producer may work with many life insurance companies, and we are pleased that your producer has presented one of our products to you.

We'd like you to understand how we pay the selling agent. Agents earn a commission for each Company policy sold. The commission is generally a percentage of the policy premiums you pay. Agents may receive compensation for each year a policy remains in force. Agents may receive additional non-cash compensation from us as a reward for things like achieving sales contest objectives or other measures. We also may pay for agent education, training or attendance at conventions, and may provide financing, or other payments. The actual amount of compensation paid will vary based on the specific circumstances of your purchase.

This is a general discussion of the compensation we pay for the sale of our policies. We pay commissions and other sales expenses from our general assets and revenues, including amounts we earn from fees and charges under our policies. We set the price of an insurance policy and it reflects the compensation we pay for the sale of the policies. It also covers costs we incur for the design, manufacture and service of our policies, for policy benefits and features including guarantees, and for the investment management needed to support the policies' values. We and our affiliates offer other insurance products in addition to the product you have selected. These other products may have different features, benefits, fees and charges and may provide you coverage that could meet your needs at a greater or lesser cost to you. We are committed to providing top-quality insurance products to our customers and are pleased that your professional insurance producer trusts us to deliver on your long-term insurance needs.

## ELECTRONIC FUNDS TRANSFER

**What is the EFT plan?**

The EFT plan allows us to pay your policy premiums by automatically withdrawing funds from your financial institution's account.

**What happens if my financial institution does not honor a withdrawal?**

If your financial institution does not honor a withdrawal, your premium due will be considered unpaid. Premium payments are necessary to fund your policy; therefore, you will be required to send us a replacement payment. If we do not receive a replacement payment within the time required by your policy, your policy will enter its grace period and then lapse. Once a policy lapses, it no longer offers life insurance coverage. To help prevent this, we encourage you to obtain overdraft protection from your bank.

**How much will be deducted from my account?**

We will only deduct premium payments according to the payment schedule outlined in your policy.

**How can I cancel the EFT plan?**

You have two options. You can write to us as the address above. Once we receive your request, we will cancel the plan within 7 – 10 business days. You may also call us at 877-886-5050 to cancel the plan.

We may cancel the plan without notice if a withdrawal is not honored or 30 days after we provide written notice to you.

If the plan is cancelled, you must pay any unpaid and future premiums directly to us on the premium due date. Termination of the plan does not change the premium due dates.

**I'd like to enroll. Where do I sign?**

Please read the following agreement and sign and date this form.

**Authorization Agreement for Prearranged Payments**

I authorize the Company to withdraw funds from my checking or savings account, identified on the next page, to pay premiums on my life insurance policy. This authorization will remain in effect until the Company has received a written request or phone call from me to terminate this agreement.

**Please Note:** Premiums paid more frequently than annually may result in higher total premiums for the same coverage, depending on the product specifications.

This agreement authorizes:  A new transfer  A change in existing transfer amount  A change in financial institution

# NOTICE OF AIDS VIRUS (HIV) ANTIBODY TESTING AND CONSENT FOR TESTING

**ReliaStar Life Insurance Company of New York, Woodbury, NY**

*A member of the ING family of companies*

ING Customer Service Center: PO Box 5033, Minot, ND 58702-5033

## THE HIV ANTIBODY TEST

To evaluate your insurability, the Insurer named above has requested that you provide a sample of your blood for testing and analysis to determine the presence of human immunodeficiency virus (HIV) antibodies. By signing and dating this form, you agree that this test may be done. A procedure will be performed to determine the presence of antibodies or antigens to the Human Immunodeficiency Virus (HIV), also known as the AIDS virus. The HIV antibody test performed is actually a series of tests done by a medically accepted procedure. The HIV antigen test directly identifies AIDS viral particles. These tests are extremely reliable. Other tests which may be performed include but are not limited to determination of blood cholesterol and related lipids (fats) and screening for liver or kidney disorders, diabetes, immune disorders, or the presence of medications, drugs, nicotine or their metabolites.

The HIV antibody test is extremely accurate. However, like any medical test, this one is not 100% accurate. In rare instances the test may be positive in persons who are not infected with the virus. Additionally, the test may occasionally be negative in persons who are infected with HIV (a false negative), especially when the infection occurred within the previous 3-6 months.

### Meaning of Test Results

Positive HIV antibody/antigen test results do not mean that you have AIDS, but that you are at a significantly increased risk of developing AIDS or AIDS-related conditions. You may wish to consider further independent testing. Federal authorities say that persons who are HIV antibody/antigen positive should be considered infected with the AIDS virus and capable of infecting others.

A negative test result means no antibodies to the HIV virus were found. Because of varying incubation periods, absence of HIV antibodies does not mean that you have not been infected with the virus. Absence of HIV antibodies does not mean that you cannot get the virus in the future.

## AIDS INFORMATION

### WHAT IS AIDS?

- AIDS stands for Acquired Immune Deficiency Syndrome, a disorder for which there is presently no cure.
- It is caused by a virus that many scientists call HIV (Human Immunodeficiency Virus). The virus can destroy the body's immune system, making it unable to fight off even small infections. The virus can also attack the nervous system, causing seizures, memory loss and mental disorders.
- The AIDS virus is carried in blood, semen, vaginal fluid and other body secretions of an infected person. The virus must get into your bloodstream to cause AIDS.
- As many as 300,000 to 500,000 New Yorkers may already be infected with the AIDS virus. Most of these people don't know they're infected, because they have no symptoms.

### HOW DO YOU GET AIDS?

- By having sex with someone who has the AIDS virus. During sex with an infected person, the virus contained in blood, semen or other fluids can enter your body. It doesn't matter if you have sex with an infected person only once—you can still get AIDS!
- By shooting drugs with a needle or syringe that has been used by someone who has the AIDS virus. Invisible traces of infected blood from the last person who used the equipment could enter your body.
- A woman with the AIDS virus can give it to her unborn baby if she becomes pregnant. She is also more likely to develop AIDS if she becomes pregnant.

### HOW DO YOU KNOW IF SOMEONE IS INFECTED?

- You can't tell if someone is infected with the AIDS virus just by looking at him or her.
- Most men and women infected with the virus don't know that they are infected, because they have no signs or symptoms of illness. It can take several years before symptoms develop.
- Anyone who has ever shared a needle to shoot drugs could be infected. Researchers think that half of IV drug abusers are already infected!
- Anyone who ever had sex with a man or woman who shoots drugs could be infected.
- Anyone who has had many sexual partners could be infected—the more sexual partners, the greater the chances.
- Anyone who has had anal sex has an increased risk of being infected.
- Anyone who has a medical condition which required blood transfusions could be infected.

### HOW CAN YOU STAY SAFE FROM AIDS?

- Don't have sex with anyone if you don't know his or her drug use and sexual history.
- Don't have sex with a large number of partners; this increases your risk of AIDS and other sexually transmittable diseases.
- Don't have anal sex. It can tear delicate tissues, letting infected semen or blood enter your bloodstream.
- Use a condom during sex to help keep the virus from getting into your body—unless you're absolutely sure your partner is not infected.
- Using a spermicide containing nonoxynol-9 along with condoms may provide further protection.
- NEVER shoot drugs.
- NEVER share a needle or other equipment to shoot drugs.

---

**COUNSELING**

Many public health organizations have recommended that before taking an AIDS-related blood test a person should seek counseling to become informed concerning the implications of such a test. You may wish to consider counseling, at your expense, prior to being tested. Public health authorities urge that everyone become educated about how to protect themselves from HIV infection. If you have questions or concerns, you may wish to consult your own physician or health care provider.

We suggest you contact your own physician or health care provider, your county health department, or your local chapter of the American Red Cross for further information about counseling services in your area. In addition, the state of New York provides the following services to assist you with obtaining additional information about AIDS or AIDS-related conditions.

**You may write to:** The AIDS Institute  
New York State Health Department  
90 Church Street  
13th Floor  
New York, New York 10007-2919

**For referral or assistance, you may also call:**  
The New York State AIDS Hotline toll-free number  
1-800-541-AIDS

**Notification of Test Results**

If your test results are negative, no routine notification will be sent to you. If your test results are other than negative, you are entitled to that information. Because a trained person should deliver that information so that you can understand clearly what the test results mean, you are asked to list your private physician so that the Insurer can have him or her tell you the test results and explain the meaning. If you prefer, the results can be sent to you or another person.

In the event of a test result other than negative, I authorize disclosure to the following physician or other person or entity:

Name \_\_\_\_\_

Address \_\_\_\_\_

City \_\_\_\_\_ State \_\_\_\_\_ ZIP \_\_\_\_\_

If you prefer the results sent directly to you, initial here: \_\_\_\_\_

**Confidentiality of Test Results**

All test results are required to be treated confidentially. They will be reported by the laboratory to the Insurer. The test results may be disclosed as required by law or may be disclosed to employees of the Insurer who have the responsibility to make underwriting decisions on behalf of the Insurer, or to outside legal counsel who needs such information to effectively represent the Insurer in regard to your application. The results may be disclosed to a reinsurer, if the reinsurer is involved in the underwriting process. The test may be released to an insurance medical information exchange under procedures that are designed to ensure confidentiality, including the use of general codes that also cover results of tests for other diseases or conditions not related to AIDS, or for the preparation of statistical reports that do not disclose the identity of any particular person. The release for disclosures discussed in this paragraph will be effective for 2 1/2 years from the date shown below.

---

**CONSENT**

I have read and I understand this Notice of AIDS Virus (HIV) Antibody Testing and Consent for Testing. For my information, I have been given written material about AIDS. ## READ THE RIDER CAREFULLY

Receipt of accelerated death benefits may affect eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children and Supplemental Security Income. Receipt of accelerated death benefits in periodic payments may be treated differently than receipt in a lump sum. Prior to applying for accelerated death benefits, policyowners should consult with the appropriate social services agency concerning how receipt will affect the eligibility of the recipient and/or the recipient's spouse or dependents.

Receipt of accelerated death benefits may be taxable. Receipt of accelerated death benefits in periodic payments may be treated differently than receipt in a lump sum. Prior to applying for such benefits, policyowners should seek assistance from a qualified tax advisor.

**There is no additional premium required for the Accelerated Benefit Rider. Instead, upon exercise of the benefit an actuarial discount is applied, an administrative charge is required, and the Eligible Death Benefit, any Cash Value and any Policy Loan will be reduced.**

- We will pay an Accelerated Benefit, at the Policyowner's request, if the Insured has a Terminal Illness. A Terminal Illness is a non-correctable medical or physical condition that with reasonable medical certainty will result in the Insured's death in 12 months or less from the date of the Physician Statement. Refer to the Rider for more details.
- Other means may be available to the Policyowner to achieve the intended goal, including a Policy Loan.
- The Policyowner may request an acceleration of a portion of the Eligible Death Benefit, subject to a minimum Accelerated Benefit of \$5,000, and a maximum Accelerated Benefit of the lesser of 25% of the Eligible Death Benefit or \$250,000. We will pay the amount requested reduced by:
  - An amount equal to any outstanding Policy Loan and accrued interest multiplied by the Benefit Ratio (the amount requested divided by the Eligible Death Benefit);
  - An actuarial discount based on the annual rate of interest declared by us and the then current premium; and
  - An Administrative Expense Charge of \$150.
- The remainder will be paid to the Policyowner. Other conditions and limitations, as described in the Rider, may apply.
- The Accelerated Benefit will be paid in a lump sum, unless the Policyowner requests and we agree to payment in some other manner.
- Within five days of receipt of the completed claim form, we will provide the Policyowner with information showing how an Accelerated Benefit payment will affect the Policy (see below). Fourteen days after we provide such information, payment of the Accelerated Benefit can be made.
- The Policy's Eligible Death Benefit, any Cash Value, any outstanding Policy Loan, and any required Premium will all be reduced by the Benefit Ratio.
- Continued premium payment is required to keep the Policy in force. If the Policy has Cash Value, unpaid premiums will further reduce both the Cash Value and the amount payable to the beneficiary at the death of the Insured. If a Waiver of Premium Rider (Disability) is attached to the Policy and in force, and the Insured's Terminal Illness began before the Policy Anniversary when the Insured reaches age 60, then after an Accelerated Benefit Payment the Insured will be deemed to be Totally Disabled for as long as the Physician Statement continues to apply.
- No health care facility as defined in Section 20 of the Public Health Law can require any person to accelerate payment of a death benefit as a condition of admission to such health care facility or for providing any care in such facility.
